Metro Messenger

A quarterly newsletter to keep you in the know with First Metro

Regards from Rodney

Dear Neighbor:

Warm weather, blue skies, and sunshine have finally made their way to North Alabama. Already this year, we've seen multiple snowstorms, single-digit temperatures, tornadoes, and yet another snowfall all before March! In any weather, First Metro Bank is committed to serving our customers and community.

2025 is going to be an exciting and transformational year at First Metro Bank. Later in the summer, we will be experiencing a system upgrade which will include digital enhancements. What this means for you is an all-around better banking experience. This will take your customer experience to a whole new level. In the coming weeks and months, you'll receive important updates via mail, email, our social media channels, and website regarding this upgrade. While we may be upgrading our systems and technologies, our quality and service as a community bank will remain as it has since 1988.

Thank you for Banking with a Neighbor,

Rodney Howard, President + CEO
